

## Wilmington Yoga Center | Scholarship Application

Thank you for your interest in Wilmington Yoga Center scholarship program. This letter contains important information about scholarship types and eligibility, amounts, and application deadlines, so be sure to read it thoroughly. The intention of the scholarship/financial aid fund is to make WYC programming available to individuals, regardless of financial situation. All Scholarships are partial as our funds are limited. Submitting an application for a scholarship does not guarantee a scholarship.

### Community Scholarship

The Wilmington Yoga Community Scholarship was created to encourage those who wish to use their training as a means through which to reach underserved populations. Community Scholarships cover up to 20% percent of tuition. If you wish to be considered for a Community Scholarship, be sure to complete the Community Scholarships information section on the application. Community Scholarships are reserved for individuals who seek to give back to the community through yoga and educational programs for underserved populations.

### Application Deadlines

Your application must be received at least **one month prior to the program start date**; however, scholarships are given on a *first come, first served basis*. It is better to apply as early as possible. All scholarship application deadlines are final. We are unable to consider applications received after the deadline.

Please note: Submitting an application for a scholarship does not register you for the program.

\*\*Scholarship recipients are still responsible for purchasing their own books/supplies: total cost approx. \$200\*\*
